

HOTEL TURIST

Distance:

- 170 km from the capital Skopje
- 7 km from the city of Ohrid
- 0km from Hotel Metropol

Location:

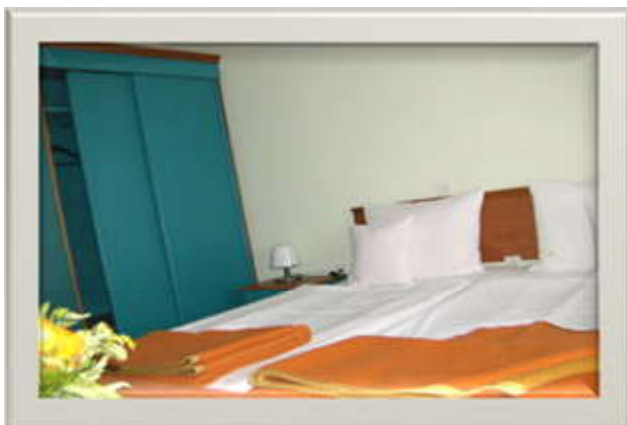

In the southern tip of Macedonia on the shores of one of the most phenomenal natural beauties - Lake Ohrid just a stroll to major tourist attractions.

How to get here:

The connection of the city of Ohrid with the major European cities is well developed and one can reach the destination easily from the mainland or through Ohrid Airport. Abode the ease, calm and comfort in the breathtaking view over the Lake Ohrid from one side and the never ending stretches of green forest of the National Park Galicica from the other. Surrounded by pinewoods, the Resort offers seclusion, shade and cooling breeze in the summer and enjoys magnificent views of the Lake Ohrid. The hotel Turist was build and opened 1986 as annex of the hotel Metropol. Fully renovated in 2007. The hotel has the same architecture as the hotel Metropol, and the two hotels are connected with indoor corridor, and viewed from outside the two hotels look like one hotel, with danceable style.
